

Leonía Recreation Department

COVID-19 Policy Update

1. **Masks are required** to enter the recreation center, and at both pick up and drop off of all programs, including those that are outside. Masks should not be worn by anyone under the age of 2. **The Leonia Senior Center remains closed at this time.**
2. **Temperature checks will be conducted with a thermometer gun** for all program participants and anyone entering the recreation center. Anyone with a temperature of 100.4 degrees or higher must exit for the day and return only after their temperature has lowered below 100.4 degrees.
3. **Masks are required at all times during programs, in parks, and on playgrounds,** unless otherwise explicitly noted, such as with fitness or sports activities that involve intense aerobic or anaerobic activity, as per state guidelines. Sports program policies will follow [NJ Executive Order 152](#) and [NJ Executive Order 168](#), as well as any future Federal or NJ Executive Order that may supersede them.
4. **Social distancing is required at all times during programs, and in parks,** unless otherwise explicitly noted by NJ State Guidelines. Parents/guardians on the side of playgrounds must practice social distancing and wear masks at all times.
5. **Some programs have been moved into the gym or outside to achieve social distancing.** Program max capacities have been reduced, and the number of remaining spaces is displayed on community pass during registration, allowing you to check how many spots are left at any time of the day.
6. Anyone returning from any location on the [NJ travel advisory list](#) or from out of the country must self quarantine for 2 weeks.
7. **Participants must wash their hands before entering programs,** and after using the bathroom. Hand sanitizer dispensers have been installed in the Recreation Center hallway and the entrance to the gymnasium. Use of hand sanitizer is encouraged in combination with hand washing, but does not replace it.
8. The Wood Park bathrooms are open 8am-10pm daily, and use of hand sanitizer is strongly encouraged before and after utilizing parks without bathrooms. Sylvan Park bathrooms will be open during program hours only.
